Good Morning John,

The purpose of the Visit is in response to a request from Senator Testers office to Visit the Columbia Falls Site. Doug also wanted to visit the Libby site therefore we tied the two site visits together.

Can someone please comment on the purpose of the Libby visit? Was the timing and agenda influenced by recent expressions of concern regarding the ROD and future property owner financial liability during O&M?

Hi Richard,

I've heard that Doug Benevento is schedule to visit Libby in June. Can you please provide the timing and agenda of his visit, including any public meetings he might be attending, such as the commissioner's meeting?
